OUR STORY

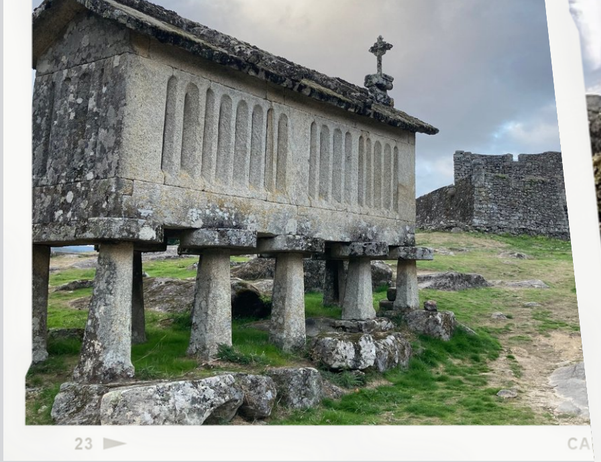

National park Tours was born out of the love for nature exploration and outdoor adventure.

Established in 2015, National Park Tours has already conducted countless guided tours and nature activities.

LOCATION

PENEDA-GERÊS NATIONAL PARK

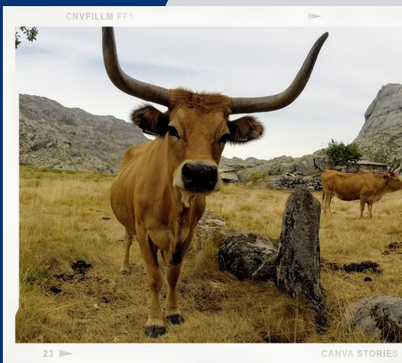

The Peneda-Gerês National Park (PGNP) is a Protected Area that covers several territories. Here you can find a variety of wildlife, as well as several waterfalls, beautiful landscapes and monuments.

The Geira and Arrieiros route, one of the routes of the world-renowned Camino de Santiago, runs through the PGNP, creating the perfect opportunity to cross the border to Spain. Together with the Spanish natural park of Lower Limia - Xurés Mountain, the Peneda-Gerês National Park forms the Transfrontier Park Gerês-Xurés and the Biosphere Reserve.

The Peneda-Gerês National park is located at approximately 178km (1h15min) from Porto and 404km (4h) from Lisbon.

LOCATION

DOURO VALLEY

The Douro River flows from Spain into Porto, leaving a trail of incredible nature to be observed. Some of Portugal's finest wines are produced in this area, including the famous Port wine. In the Douro Valley you can find several wine related activities (eg: wine tasting, grape treading), as well as hiking trails, cruiseships and kayaking. The Cultural Landscape of the Douro Valley, classified as World Heritage, can be enjoyed by road, train, cruise ship or even by helicopter.

The Douro Valley is located at approximately 125km (1h10min) from Porto and 385km (4h) from Lisbon.
